Hi Steven

We have received the necessary approvals from the Tier 3 Parks, Sport and Recreation Manager and the Property Department to allow the consent condition in SUB 2012 – 515 that confirms that Council will acquire an interest in land at nil cost to future proof walkway options at 518 West Coast Road, Oratia (as shown on the Survey Plan "Proposed Staged Subdivision of 518 West Coast Road, Oratia" prepared by Thornley Associates Ltd dated August 2012).

We have also got the necessary approval to have the consent condition relating to Council granting an easement over the esplanade reserve to formalize the existing private storm water pipe and outlet.

Warm regards,  
Anna
